**Culture Buff Games** are interactive games designed to teach country-specific cultural values, behaviours and traditions and raise cultural competence

Our games leverage the power of **visual storytelling** and **gamification** to impart bite-sized cultural knowledge

Created by interculturalists, our games help raise cultural awareness and competence of learners

An effective and affordable tool to quickly learn about a foreign culture

✓ Each country-specific game has 13 unique mini-stories

✓ Each mini-story depicts a possible cultural scenario

✓ Each cultural value is illustrated using multiple mini-stories

✓ Mini-stories range from the historical to the contemporary

✓ Each mini-story is accompanied by a detailed explanation

## INDIAN STRETCHABLE TIME

Mini-stories are randomized to boost the learner's engagement

Our cloud-based games are available on any device or web browser

Scoring induces a spirit of competition and assesses progress

# Game Interface

Visual stories illustrate cultural values using historical events and contemporary real-world examples. Each mini-story depicts a possible cultural scenario. Each mini-story is only one example of a generally accepted value or value ideal.

## POLYGLOT NATION

GROUP ORIENTED

INGENUITY

Match the mini-story with the value that it best represents.

Difficulty Level : ★★ ★

Two Difficulty Levels : *Easy* or *Hard*.

Each mini-story has a detailed explanation to deepen understanding of the cultural value.

# Why Visual Storytelling?

Visual stories boost engagement and participation in learning

Visual stories arouse curiosity and interest in cultural values

Visual stories have universal appeal that transcend generations

Reaction to a visual story is a good assessment of a person's openness

Visual illustrations boost retention and recall of cultural knowledge

Research shows that after 3 days we retain 60% of what we see and only 10% of what we hear !

# Why Gamification?

Harnesses  
the power of  
play

Induces a spirit of competition

Fosters problem solving

Fosters practical application  
of cultural knowledge

Boosts  
engagement  
and  
participation  
in learning

Our games leverage *spaced repetition* to  
boost retention of knowledge

The same cultural value is presented  
repeatedly in multiple contexts, from the  
historical to the contemporary, to  
reinforce learning

## Methodology & Recommendations for Trainer Facilitated Training

The following section applies to the use of Culture Buff Games in trainer-facilitated individual, group, face-to-face or virtual training

# The Culture Buff Methodology

## A Unique Approach to Learning Cultural Values

Learner-driven

Trainer-facilitated

Trainer facilitates discussion

Trainer brings cultural expertise

Problem Solve & Apply Knowledge Approach

- ✓ **Learner-driven trainer-facilitated learning tool**
- ✓ **Problem-solving & practical application of knowledge approach to learning**
- ✓ **Trainer facilitates discussion about the cultural value and fosters sharing of different perspectives**

# Using Our Games In A Trainer-Facilitated Training

*Individuals, Couples or Groups*

- 1 The cultural trainer explains to the trainee(s) that there are four generally accepted cultural values or value ideals on the right-hand panel. **Each mini-story is a possible cultural scenario.** The mini-story presented is only **one** representation, among many, of the correct generally accepted cultural value or value ideal.
- 2 The trainer then asks the trainee(s) to match the mini-story with the cultural value that it **best** represents.
- 3 Through trial and error, the trainee(s) problem solves and matches the mini-story with the cultural value that **best** fits the story.
- 4 Upon clicking the correct answer, the mini-story rotates showing a detailed explanation about the specific cultural value and the story.
- 5 The trainer opens up a discussion about the mini-story and the cultural value and facilitates a sharing of different perspectives.
